SLEEK WALLS

Sleek Walls Installation & Warranty Record

Complete at installation and retain with proof of purchase

Completion is strongly recommended. Sufficient evidence may be required where substrate, adhesive, sealing, wet-area detailing or installation conditions are relevant to a claim.

Customer / property owner	
Installation address	
Postcode	
Email / telephone	
Supplying retailer	
Invoice / order no.	
Purchase date	
Installation date(s)	
Use	☐ Residential ☐ Commercial

1. Product Identification

Panel décor	
SKU / product code	
Batch / lot number(s)	
Quantity installed	
Rooms / wall areas	
Wet-area / shower zone	☐ No ☐ Yes

2. Installer Details

Installer / company	
Installer contact	
Email / telephone	
Relevant qualification / accreditation (if any)	

3. Pre-Installation & Substrate Checks

☐ Panels inspected for visible damage/obvious defects before and during installation.
☐ Product confirmed suitable for intended room/location.
☐ Substrate structurally sound, secure, clean, dry and suitably prepared.
☐ Existing tiles/overclad surface checked for soundness where applicable.
☐ Any damp, leaks or plumbing defects resolved before installation.
☐ Layout, corners, edges and penetrations planned before bonding panels.

Substrate type	
Existing tiles / overclad surface	☐ No ☐ Yes - condition: _____
Substrate condition / preparation	
Known moisture/damp issue	☐ No ☐ Yes - details/action: _____

4. Adhesive, Joints & Wet-Area Detailing

Adhesive manufacturer/product	
Sealant manufacturer/product	
Trims / profiles used	
Joint method	
Internal/external corner treatment	
Top/bottom edge treatment	
Pipe / fitting penetrations sealed	☐ N/A ☐ Yes - method: _____
Bath/shower tray junction treatment	☐ N/A ☐ Completed - method: _____
Other wet-area detailing	

5. Photographic Evidence Recommended

☐ Substrate before preparation.
☐ Substrate after preparation and before panels.
☐ Existing tiles/overclad surface where relevant.
☐ Panel/carton batch identification.
☐ Adhesive application.
☐ Joints and panel engagement/detailing.
☐ Internal/external corners.
☐ Edges and terminations.
☐ Pipework, taps, shower fittings and other penetrations before/after sealing.
☐ Bath/shower tray junctions and other wet-area seals.
☐ Installation in progress.
☐ Completed installation - overall room and detail views.

Photo/file storage reference	
Number of photographs retained	

6. Completion & Handover

Completion checks

☐ Panels and joints visually inspected.
☐ All required edges, corners and penetrations sealed/finished.
☐ Installation left clean and free from obvious damage.

☐ Care/maintenance guidance provided or made available.

☐ Customer advised to retain this record, proof of purchase and batch information.

7. Installer Declaration

I confirm that, to the best of my knowledge, the information recorded above is accurate and the panels were installed in accordance with the applicable product instructions and professional requirements.
